OFFICE OF EMERGENCY MANAGEMENT

The Borough of Sea Girt Office of Emergency Management (OEM) identifies natural or man-made hazards and vulnerabilities and programs to eliminate or reduce the effects of such threats. It coordinates the resources of local, state, and federal agencies in response to any disaster or emergency event in an effort to lessen the effects on the residents of the Borough and to speed the recovery process.

Contact **Tim Harmon** at (732) 449-9433 x603 or tharmon@seagirtboro.com

Disasters usually occur suddenly and without warning and can be devastating to families who are not prepared. We suggest that you have a **family emergency plan** should unexpected severe weather or loss of essential services come about. To assist you with your preparation, we have listed several suggestions below.

- Your family emergency plan should include basic safety measures, emergency phone numbers and plans to stay with friends or relatives should an evacuation be ordered.
- Have a single designated family contact should evacuation and family separation take place.
- Have a plan with an alternative location to live in the event of a disaster, such as prolonged power outage or an uninhabitable home.
- Remember to bring prescription medications and eyeglasses if evacuated.
- Household members should know how to turn off water, electric, and gas to their home.
- Three day supply of food and water should be kept.
- Three gallons of water per person, per day is recommended.
- Store food such as canned food which require little or no water, and have longer expiration dates.
- Keep on hand a first aid kit, fire extinguisher, flashlight, fresh batteries, matches, and work gloves.
- Learn basic safety measures such as CPR and first aid.

Have a plan for your pets. For additional information on pet safety please refer to the official FEMA website.

Stay tuned to **NOAA weather radio** for the latest severe weather information.

Family members should dial 911 only in emergencies so ensure everyone in your family knows what is considered an "emergency". For example: a loss of power from an outage is not an emergency; however, a downed power line would be considered an emergency. Everyone should know the non-emergency contact number for Sea Girt: (732) 449-7300. Non-emergency police matters (732) 449-9433 ext. 603

In **SEA GIRT ALERTS** (<https://www.seagirt-nj.gov/public-safety/news/sea-girt-resident-notification-system>) you may now select additional alerts that may be department specific such as Police, Fire, Emergency Management, Beach Patrol, DPW, Recreation and Weather Alerts. You may select how you would like to receive these alerts via text, email or phone. Please note that phone messages will only be sent for specific emergency type events. Should you wish to receive messages for more general type alerts or messages please ensure you select text or email as the delivery method. Text and Email will be the primary means of communication.
